A black and white line drawing of a garden scene. In the center, a large, multi-petaled flower with a small grey dot in its center is the focal point. Surrounding it are various other flowers, including roses with spiral centers and smaller, star-shaped flowers. The background is filled with stylized leaves and stems. In the center of the image, there is a white rectangular box with a black border containing the text "I can Make it Happen".

A decorative border surrounds the central text. At the top, there is a cluster of leaves. To the left, a large circle with diagonal hatching is partially visible. To the right, a smaller circle with diagonal hatching is also partially visible. Below the top-left circle is a crescent moon. To the right of the central text is a daisy-like flower. At the bottom, there are several circles: three empty circles on the left, one hatched circle in the center, and a large, detailed flower on the right. A crescent moon is also visible at the bottom center.
